David Scandiffio – Joined Board 2012

President & CEO of CIBC Asset Management

David is responsible for the overall retail and institutional asset management business, as well as the portfolio management team. He is also a key member of CIBC's Operating Committee and Commercial Banking & Wealth Management Executive Team. Prior to joining CIBC, he was President of IA Clarington Funds and Executive Vice President, Industrial Alliance Life Insurance Company where he was responsible for the wealth distribution and asset management businesses, including high net-worth segments. He holds a Bachelor of Science in Actuarial Science and Economics, and is a CFA charterholder.
