Paul Orlander – Joined Board 2012-2015; Re-joined 2016

President, TD Mutual Funds

Paul is responsible for the profitability, growth and distribution of the mutual funds product line through multiple distribution channels. He previously led Products, Services and Strategy at TD Wealth. Prior to joining TD, Paul was a Partner and Managing Director at The Boston Consulting Group. He was a core member of the Global Financial Services Practice focusing on advising financial service clients on issues of strategy, organization and performance improvement. Prior to his consulting career, Paul worked in the Mergers and Acquisitions group at Lehman Brothers (New York). Paul has an M.B.A. from the Kellogg School at Northwestern University, and a Bachelor of Arts in Honors Business Administration from the University of Western Ontario.
