## Felicia Tedesco, CPA, CA

Deputy Director, Operations, Compliance and Registrant Regulation Branch (CRR)  
Ontario Securities Commission (OSC)

Felicia Tedesco is the Deputy Director, Operations in the Compliance and Registrant Regulation Branch (CRR) of the Ontario Securities Commission (OSC). The CRR branch is responsible for the initial and ongoing registration and compliance oversight of firms, for the development of policy and the review of applications for exemptive relief.

As the Deputy Director, Felicia is responsible for overseeing the regulation of firms and individuals advising or trading in securities or derivatives, and managing investment funds in Ontario. She is also responsible for providing strategic direction in the assessment and development of compliance oversight programs, tools and processes used to oversee the registrant population. Felicia obtained her CPA, CA designation with the public accounting firm Ernst & Young where she specialized in the brokerage industry. Prior to joining the OSC, she held various positions in the investment management industry.
