Jillian Nicolson

Partner, Leader, Operational Tax Practice

Ernst & Young

As a partner in Ernst & Young's Financial Services Organization tax practice in Toronto, Jill leads EY's Canadian Operational Tax practice and has over 20 years of experience advising clients in the financial services sector. She has a diverse professional background providing tax advisory, tax compliance and tax risk services to various financial services industry segments including the banking, broker dealer, insurance, asset management, and leasing sectors.

Jill also leads EY Canada's Information Reporting and Withholding practice and has extensive experience specific to process and control design and remediation, creation of procedures manuals, performance of compliance audits for large multi-national corporate groups, assisting with the preparation of audit defence responses, presentation of client training sessions, and performance of compliance/readiness assessments.

She is also currently a key advisor on FATCA and CRS implementation projects for several large Canadian financial institutions and sits on various industry association CRS working group committees as well as the Business Advisory Group supporting Working Party 10 at the OECD on CRS matters.

Jill is a Chartered Professional Accountant (1991) with a Bachelor of Commerce (Accounting) degree from the University of British Columbia. Jill is a frequent speaker at conferences.
