Mike Plantinga

Vice President, Head of Enterprise Security
CIBC Mellon

With more than 30 years of industry experience, Mike Plantinga has overall responsibility for Information Technology delivery at CIBC Mellon. Since joining CIBC Mellon in 1997, Mike has held progressively senior roles within the organization. Mike and his team collaboratively work with clients and colleagues to provide leadership, confirm that IT strategies and programs are aligned with business strategy, and evaluate risks and benefits of new technologies that could be introduced to the organization's environment, as well as streamline processes. Mike maintains an in-depth knowledge of enterprise-wide technology programs, and is responsible for providing superior client service and compliance with policies, procedures and regulatory requirements. Mike is currently a member of the governing body of several CIO associations.
