

2020 IFIC ANNUAL LEADERSHIP CONFERENCE

NEAL KERR

Senior Vice-President & Head Scotia Global Asset Management in Canada

Neal is responsible for all aspects of the Scotia Global Asset Management businesses in Canada, including Dynamic Funds and ScotiaFunds. He has 25 years of experience in the Canadian investment industry. Before joining Scotia Global Asset Management in 2019, he was previously employed as Executive Vice President with CI Financial. Since 2012, Mr. Kerr has had corporate management responsibilities for CI's portfolio management teams, its Institutional Asset Management business as well as CI's Australian funds management business. From 1999 to 2006, Mr. Kerr was head of CI's Institutional Business Development team, responsible for managing CI's offerings to institutional and high net worth investors. In 2007, he was appointed to oversee CI's retail sales and marketing teams for Ontario and Eastern Canada. In 2011, Mr. Kerr assumed leadership for CI's Product Development and Investment Consulting teams. Before joining CI Investments in 1999, Mr. Kerr was previously with BPI Financial in an investment operations role. Mr. Kerr holds an Honours BA in Economics (Dean's List) from Western University as well as the Partners, Directors and Senior Officers Course from the Canadian Securities Institute.
