## Éric-Olivier Savoie – Joined Board 2020

President & CEO, National Bank Investments

Eric-Olivier Savoie is President & Chief Executive Officer of National Bank Investments (NBI) since June 15, 2020. As part of his duties, he is responsible for the vision, strategy and asset management activities in an open architecture context.

At the time of his appointment, Éric-Olivier was acting as Vice President, Wealth Management Solutions at National Bank Financial Wealth Management. He was responsible for developing the advisory approach, the integrated offering and the client experience to ensure a competitive edge by identifying the needs with regard to new products, services, tools and programs, and leading their development and implementation to support the success of advisors.

Eric-Olivier joined National Bank in 2005 and his distinctive career in fields as varied as full-service brokerage, managed solutions engineering, money market, institutional brokerage, prime brokerage and private wealth management have enabled him to develop in-depth knowledge of the Wealth Management and Financial Markets sectors.

Recognized for his mobilizing leadership style, his passion for creating successful teams and his commitment to clients, he holds a Bachelor's degree in Business Administration with a specialization in finance from the UQAM École des Sciences de la Gestion.

In 2016, Éric-Olivier was named in the Top 25 of the Quebec financial industry as winner of the "Under 40" category by the economic magazine *Finance et Investissement*.
