

2021 ANNUAL LEADERSHIP CONFERENCE

Roy Ratnavel

EVP, Head of Distribution
CI Global Asset Management

Roy Ratnavel is the Executive Vice President of CI Financial and the Head of Distribution at CI Global Asset Management — one of the largest independent asset management firms in Canada. He currently leads CI's national distribution team that oversees CI's retail assets.

He has over 25 years of experience in the financial services industry. Roy received his undergraduate degree from University of Toronto. He has completed level I of the CFA program, and is working on his MBA in Global Asset and Wealth Management at Simon Fraser University. Roy is also the recipient of Report on Business, Canada's 50 Best Executives 2020 award.

Roy is involved in many philanthropic causes — including the 2019 climb to Mount Kilimanjaro to bring awareness and shatter the stigma surrounding mental illness and to raise money for the fight against this debilitating health issue. He is a mentor to many emerging leaders in asset management business — and, an avid writer. He lives in Toronto with his wife and son.
