IFIC OPERATIONS DAY

Josée Baillargeon

Senior Policy Advisor, Taxation
The Investment Funds Institute of Canada

Josée Baillargeon is the Senior Policy Advisor, Taxation for IFIC. Josée has more than 25 years of experience in the investment fund industry and is responsible for all domestic and international taxation policy at IFIC. She has substantial experience in interpreting tax legislation, implementing tax changes stemming from federal and provincial budgets, and developing processes and coordinating systems updates to support new and amended tax legislation (e.g. FATCA/CRS, TFSAs, and year-end tax projects).
