

2022 ANNUAL LEADERSHIP CONFERENCE

Kelly Gauthier, MBA President Rally Assets

As President, Kelly runs Rally. She is responsible for Rally's day-to-day operations and client relationships. She leads the team and manages the business to enable Rally to grow. Kelly anchors Rally's impact thought leadership both internally and externally.

For two decades she has helped clients create impactful portfolios. She has worked with a range of asset owners to design and implement their approach to responsible and impact investing, strategically aligning their investment and portfolio strategies with positive outcomes for people and the planet. Before joining Rally in 2012, Kelly was with Mercer in the responsible investing team. Kelly is a board member of the Responsible Investment Association and an Investment Committee member for SheEO's Venture.Fund.
