Michael Konopaski – Joined Board 2022

CEO, Designed Wealth Management

Known for his entrepreneurial strengths and strategic management, Michael Konopaski brings 25 years of experience building and managing investment dealers. As a former advisor and portfolio manager, and Chartered Professional Accountant, he helps advisors across Canada develop their practice and build out their future. He has unique insights and offers guidance to experienced and inexperienced advisors alike to help them best serve their clients needs.

Michael is the founder of the IIAC small and independent dealer committee, served on the IIROC Ontario District Council, and is former vice chair of the IIROC Financial and Operations Advisor Section committee. He has a Master's degree in Finance, a PhD in Management, and his Certified Financial Planner and Chartered Investment Manager. He has also held senior officer roles of CCO and CFO of IIROC dealers and is a Portfolio Manager.
